

NEW INTERURBAN CARS REACH PARIS

In order that the people of Paris might get a glimpse of the new steel cars which are to be placed in use soon on the interurban lines of the Kentucky Traction and Terminal Co., one of the cars has been running for the past two days on the Paris and Lexington line.

The new cars represent a radical departure from the old heavy type of cars which the company will soon discard. They are built of steel and wood throughout. The interior reminds one of a Pullman, due to the mahogany finish, white ceiling and green colored plush seats. All obstructions have been removed from the interior. The seats have deep spring cushions, with spring edges and backs, with arm and foot rests for passengers. The step is only about a foot from the ground, a most desirable feature. The cars are painted a deep orange, making a most effective finish.

Three of these cars have been placed in use on the Georgetown-Nicholasville line, one on the Paris-Lexington line. Others will be placed on the Paris line as soon as they are received. Local Agent George M. Davis states it requires five of these cars to do service for the Paris-Lexington line.

Each car will carry comfortably forty-five passengers. The jolting so familiar to users of the old type of cars is entirely done away with by the spring suspension of the trucks and twenty-one inch wheel base, making the cars ride as easy as a Pullman.

Harris, Speakes & Harris, Paris realtors, sold at public sale Friday the frame cottage of Mrs. L. E. Owen, in Thornton Division to James H. Moreland, for \$2,275. Mr. and Mrs. Owen will move to Covington to reside.

A deed conveying approximately 227 acres of land located along the Russell Cave pike several miles from Lexington was filed in the office of the Fayette County Clerk, Friday by J. D. Florence and others to the Farmers and Traders Bank of Paris. Price for the land was approximately \$35,000, as the land is deeded to the bank in exchange for the assumption on the part of the bank of \$35,000 in promissory notes held against the property of Orle Lebus, of Harrison county.

Mrs. Bettie McIlvaine sold last week to her brother, Ossian Edwards, her frame bungalow located at the southeast corner of Fifteenth and High streets, adjoining the residence of Harry Stamler, for a private price. Possession will be given in April, when Mr. and Mrs. Edwards will occupy the property.

The public sale of the large farm belonging to the estate of the late Miss Sallie Rogers, as advertised in THE NEWS, was held Saturday, conducted by Auctioneer George D. Speakes, of Harris, Speakes & Harris, Paris realtors. There was a large crowd in attendance, and the bidding was lively. Dr. Lot R. Henry, of North Middletown, purchased one tract of 101.99 acres for \$120.10 an acre, and Warren Rogers purchased the second tract, containing 143.19 acres, for \$175 an acre. John J. Redmon purchased four shares of North Middletown Deposit Bank stock for \$211 per acre, and four shares of the same institution's stock sold to Frank Rogers for \$213 a share. Editor Warren E. Fisher bought fifty shares of stock of the Carlisle Mercury, of which he is editor and publisher, also purchasing eight shares of the Bourbon Tobacco Warehouse stock for \$640.

Harris, Speakes & Harris sold yesterday for Ben H. Plummer, of Covington a tract of five acres located on the Clintonville pike, near Paris, to Jesse Bannister, of Paris the consideration being \$3,500. They also sold for Mr. Bannister his house and lot, located on Brent street, in Paris, Mr. Plummer being the purchaser at \$2,500.

Harris, Speakes & Harris sold for Joe Reffett and Will Morrison their farm of 62 acres, with improvements thereon, located near Jacksonville, to Allen Smith, for \$7,572 cash in hand when deed is made and delivered. Possession will be given on or before March 1.

The first half ended in a score of 10 to 4 in favor of the P. H. S. girls. Baldwin, Hall and Wallingford did the good work for Paris, while P. Nunnally did best for the visitors. FIRE CAUSES \$5,000 LOSS

Fire of unknown origin shortly before midnight Saturday night, resulted in the destruction of a large barn, formerly used as a storage warehouse, at 755 West Short street, in Lexington, belonging to P. S. Neal, of 184 North Ashland avenue. The loss was estimated at between \$4,000 and \$5,000 and was partially covered by insurance. Until a short time ago it had been rented to Claude Burke, tobacco man, but was vacant at the time of the fire. Neighbors were of the opinion that the barn contained about 1,000 tobacco baskets which had been left there by the Geary Tobacco Warehouse.

NEWS OF THE COURTS

In the County Court the last will and testament of Charles E. Butler, Sr., was presented and probated before County Judge George Batten. Under the terms of the instrument, the entire estate, both personal and real is devised to Mr. Butler's widow, Mrs. Mary Shipp Butler, who was designated as executrix, no bond to be required of her. Mrs. Butler waived the right to assume the trust, and the Court appointed her daughter, Miss Frances Butler, who assumed the trust as administrator of the estate, with will annexed.

W. H. D. Wheat, of Ft. Thomas, Ky., was appointed by the Court as administrator of the estate of Miss Mary L. Williams, who died some time ago at the home of B. B. Marsh, in East Paris. Mrs. Wheat accepted the trust and qualified by furnishing bond with Harry Marsh as surety.
